Prior to submission of this document in final registered form the following corrections will be made on Exhibit No. 17-B:

1. Correct title block to read "Fire Control Site No. 11 SCR 296 Site No. 2, Bolsa Chica" to be consistent with paragraph 10a (2) (b) as corrected.
2. Correct the observation of element to read "SCR 296 - Battery 242" instead of "SCR-296 - Bty 122 (Cancelled)."
3. Correct the notes and bound courses to read clockwise.
