by WDP 7/17/00 UASA OAC

Prior to subordination of this document in final registered form the following corrections will be made in Exhibit 13-B:

1. Indicate the curve radii not shown on this drawing.
2. Correct the bearing of the north radius line from $S 43^{\circ} 00' 0'' E$ to $S 43^{\circ} 00' 01'' E$.
3. Correct the notes and bounds at the northeast corner of the reservation as it joins and runs along the center line of 25th Street. Not all necessary information is shown and some shown is incorrect. Reference is made to real estate drawing No. 45-P.

NOTES:
Azimuths refer to grid South.
Origin of coordinates is U.S.C. & G.S.
Sta. "R" Deadman's Island.
Datum is Mean Lower Low Water.
Contour interval 10 feet.
